

ALBESSARD - AUBERT

A.O.P. VENTOUX BLANC 2020

DYVANA

As a family, the “Albessard – Aubert” went to the beautiful Ventoux region, given a technical boost by Vanessa, an oenologist with a long experience as a winemaker.

Wine growers in Saint-Emilion, passionate about wine, Vanessa & Eddy have created in partnership with local producer friends, their tailor-made white. A wine reflecting its terroir, at an excellent value for money, ideal companion for any occasion.

Ventoux Nestled at an altitude of more than 400 meters, the vines take their roots in stony, clay-limestone soil in small plots of steep hillsides in terraces. They enjoy cool nights and sunny days, perfect to obtain ripe grapes and naturally well balanced.

The harvest is manual and the grapes are transported to the cellar in crates of 15 kg, then pressed directly to minimize the risk of oxidation.

Clairette is vinified in stainless steel vats.

Roussanne is vinified and aged in french oak barrel of 500L.
